Joseph Li 李诘

Cross-border investment, M&A, Cross-border Compliance, Corporate Restructuring and Reorganization, IP Protection
Chance Bridge Law Firm

Joseph Li, the Executive Partner of the Shanghai office and a partner in the corporate division of Chance Bridge. Mr. Li has 20 years of extensive legal and compliance experience, is qualified as a PRC lawyer, a Certified Information Systems Auditor (CISA), a Certified Information Privacy Professional and Fellow (CIPP/CIPM/CIPT/FIP), and a Certified Anti-fraud Examiner (CFE). Mr. Li specializes in cross-border investment, merger and acquisition, corporate compliance, corporate restructuring and reorganization, intellectual property protection, and related commercial dispute resolutions. Mr. Li has recently generally counseled the China business of multinational companies and the going-global business initiatives and overseas investment of Chinese companies and has provided services to clients from the industries of FMCG, renewable energy, artificial intelligence, E-commerce, automobile and auto parts, healthcare, life service and logistics, and so on.

Mr. Li previously led the China legal function of a leading nutrition multinational company and the Asia legal function of a leading beauty multinational company. For over a decade, he was responsible for all legal and compliance matters, covering corporate, marketing, sales, R&D, and manufacturing business units in the areas of commercial transaction, investment and financing, anti-corruption and data compliance, intellectual property, employment, and general corporate matters, which brought him field experience about post-merger integration, corporate governance, and cross-border compliance. His prior private practice in Hogan Lovells and Dorsey & Whitney, two leading international law firms, focused on M&A, foreign direct investment, and joint ventures in multiple industries.

Robert Lewis 吕立山

Cross-border M&A, Energy, TMT, One Road One Belt, US Sanctions

Chance Bridge Law Firm

Robert Lewis is a Senior International Consultant for Chance Bridge Law Firm in Shanghai. He has practiced law for more than 35 years, with nearly 30 years in China. His practice has focused on cross-border corporate and commercial transactions, with a particular emphasis on M&A, infrastructure projects, project financing, energy, mining, telecoms/IT transactions and strategic partnering arrangements generally. Notable transactions include acting for the lead Beijing municipal government investor as lead international legal counsel on the Bird's Nest and Water Cube venue projects for the 2008 Beijing Olympics. He also has advised Chinese enterprises on outbound investments in the US, Latin America, Western and Eastern Europe, India, Russia, Canada, Australia and Africa for more than 15 years. He also advises major Chinese tech and social media companies in global compliance issues.

Prior to joining Chance Bridge, from March 2011 to January 2021, Mr. Lewis was Senior International Counsel of Zhong Lun Law Firm. Prior to that he served as managing partner of the Beijing office of Lovells (now Hogan Lovells) for nine years and, prior to his stint with Lovells, he was Asia General Counsel for Nortel Networks. When he moved to China in 1993, he initially joined the China Practice Group of Baker & McKenzie in Hong Kong and Shanghai. Before relocating to China, he practiced for six years in the Los Angeles office of Sidley & Austin. Mr. Lewis was one of the first senior foreign lawyers to make the move from a leading international law firm to a top Chinese law firm. Mr. Lewis has consistently been rated as a leading corporate/M&A lawyer in China by leading directories.

Rongqing (Ryan) Wang 王融擎

Dispute Resolution, Financial Markets, Capital Markets

Chance Bridge Law Firm

Mr. Wang specializes in the resolution of civil and commercial disputes, with a particular focus on handling intricate and complex commercial cases within high-level courts, as well as various financial dispute cases. He has made multiple appearances before both the Supreme People's Court and various high-level local courts, showcasing his extensive and specialized experience in managing cases related to securities disputes, asset management disputes, corporate conflicts, general financial and commercial disputes, especially those heard in financial courts across diverse regions.

Consistently delivering satisfactory case outcomes and achieving clients' business objectives, he has played a pivotal role in numerous cases that not only he represented but also those in which he was involved. Many of these cases have bridged gaps in domestic legal regulations, pioneering new paths.

Furthermore, Mr. Wang frequently offers specialized pre-litigation legal services, including financial product risk management and resolution, securities compliance consulting, and other tailored legal assistance. He conducts comprehensive research into legislative, judicial, and industry practices within the commercial and financial sectors. Additionally, he actively participates in research endeavors linked to the formulation of industry regulations.

Prior to joining the firm, he had worked for several years at Fangda Partners and Tiantong Law Firm.

Mr. Wang is also a researcher at the China Trust Research Center of Southwestern University of Finance and Economics and the editor of Yenching Legal Studies.

Jason Wu 吴兆丰

Compliance, Advertising, Government enforcement, Administrative reconsideration and litigation.

Chance Bridge Law Firm

Dr. Jason Wu, a partner in the corporate division of Chance Bridge. Dr. Wu specializes in corporate compliance and internal control, anti-bribery, advertising, anti-unfair competition, government enforcement and administrative reconsideration and litigation, etc. He represented many multinational companies in dealing with government investigations of commercial bribery, illegal advertising, product quality, food safety and illegal pricing and promotion, and was able to close or terminate most of the cases without penalties.

Prior to joining the firm, Dr. Wu was a counsel at two well-known red circle firms in China and worked in the Shanghai market supervision system for more than 10 years. As an officer, he was responsible for investigating hundreds of cases on anti-bribery, advertising, pricing, food and product safety, unfair competition, consumer protection, and e-commerce. He also presided over hundreds of administrative review cases from lower-level district agencies and represented the municipal agency in legal proceedings. Additionally, Dr Wu served as an in-house attorney in a biotech company in Boston, United States, working directly with the founders of the company to manage diverse responsibilities, from negotiating agreements to handling legal disputes in the US and Europe. Dr. Wu had academic education experiences in China, EU and the US.
